

Conference

Tshikwalo Game Lodge is situated within the malaria-free Dinokeng Game Reserve, a mere 30 minutes' drive north of Pretoria and a 60 minutes' drive from O.R. Tambo International Airport and Johannesburg.

Tshikwalo Game Lodge is perfectly suited for conferencing and teambuilding activities.

Our facilities are ideal for:

- conferences
- workshops
- 'bosberaad'
- strategy sessions
- team building
- product launches
- staff incentives

Companies find it most suitable for "bosberaad" or retreats, secluded from the rush of the city, where delegates can focus on the intended reason of the event. Our conference delegates go home relaxed, refreshed and enthused.

Our conference facilities can accommodate a maximum of 60 delegates, and you have various options regarding the conference room layout, and catering.

We also offer our conference delegates accommodation, game drives, dinner under the stars and much more.

We strive to provide best and professional service at all times.
